

I SHPY

I Shpy a shell, 4 dreidels, a scroll,
A fully lit Menorah, and a wooden foal;
A feather, a trunk, two snakes and a heart,
A half-eaten doughnut, and an egg
that fell apart.

I Shpy a gecko, Greek soldiers of a set,
A map of Israel and the Hebrew alphabet;
A snail, a seal, Jerusalem stone,
JUDAH MACCABEE WAS HERE and
a leaf that sits alone.
