Education and Sharing Day

March 27, 2018

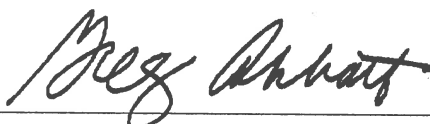

When we ensure education both nurtures the heart and the mind by building character and intellect, we take great strides in constructing a better and brighter future for our state and nation.

The Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, dedicated his life to the promotion of education. A tireless advocate for youth around the world, The Rebbe emphasized the importance of education and good character by establishing over 5,000 educational and social institutions in all 50 states with 35 in Texas alone.

On the anniversary of Rebbe's birth Education and Sharing Day is celebrated to honor his legacy and recognize our responsibility to ensure our young people have the educational foundation necessary to lead lives rich in purpose and fulfillment.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 13th day of March, 2018.

Greg Abbott
Governor of Texas
